I don't know if I will be able to attend the meeting on the homeless tomorrow night but please know I will be there in spirit. Attached is a photo of the Lodi Theater from tonight.

This is so wrong. The City of Lodi needs to come up with a plan and fast!

On Friday we had two homeless people come into our business and shoplift. The police did come out and we got one of the items back and the person already opened it. Her buddy was long gone with the \$90 product. This is getting a little too close for comfort!

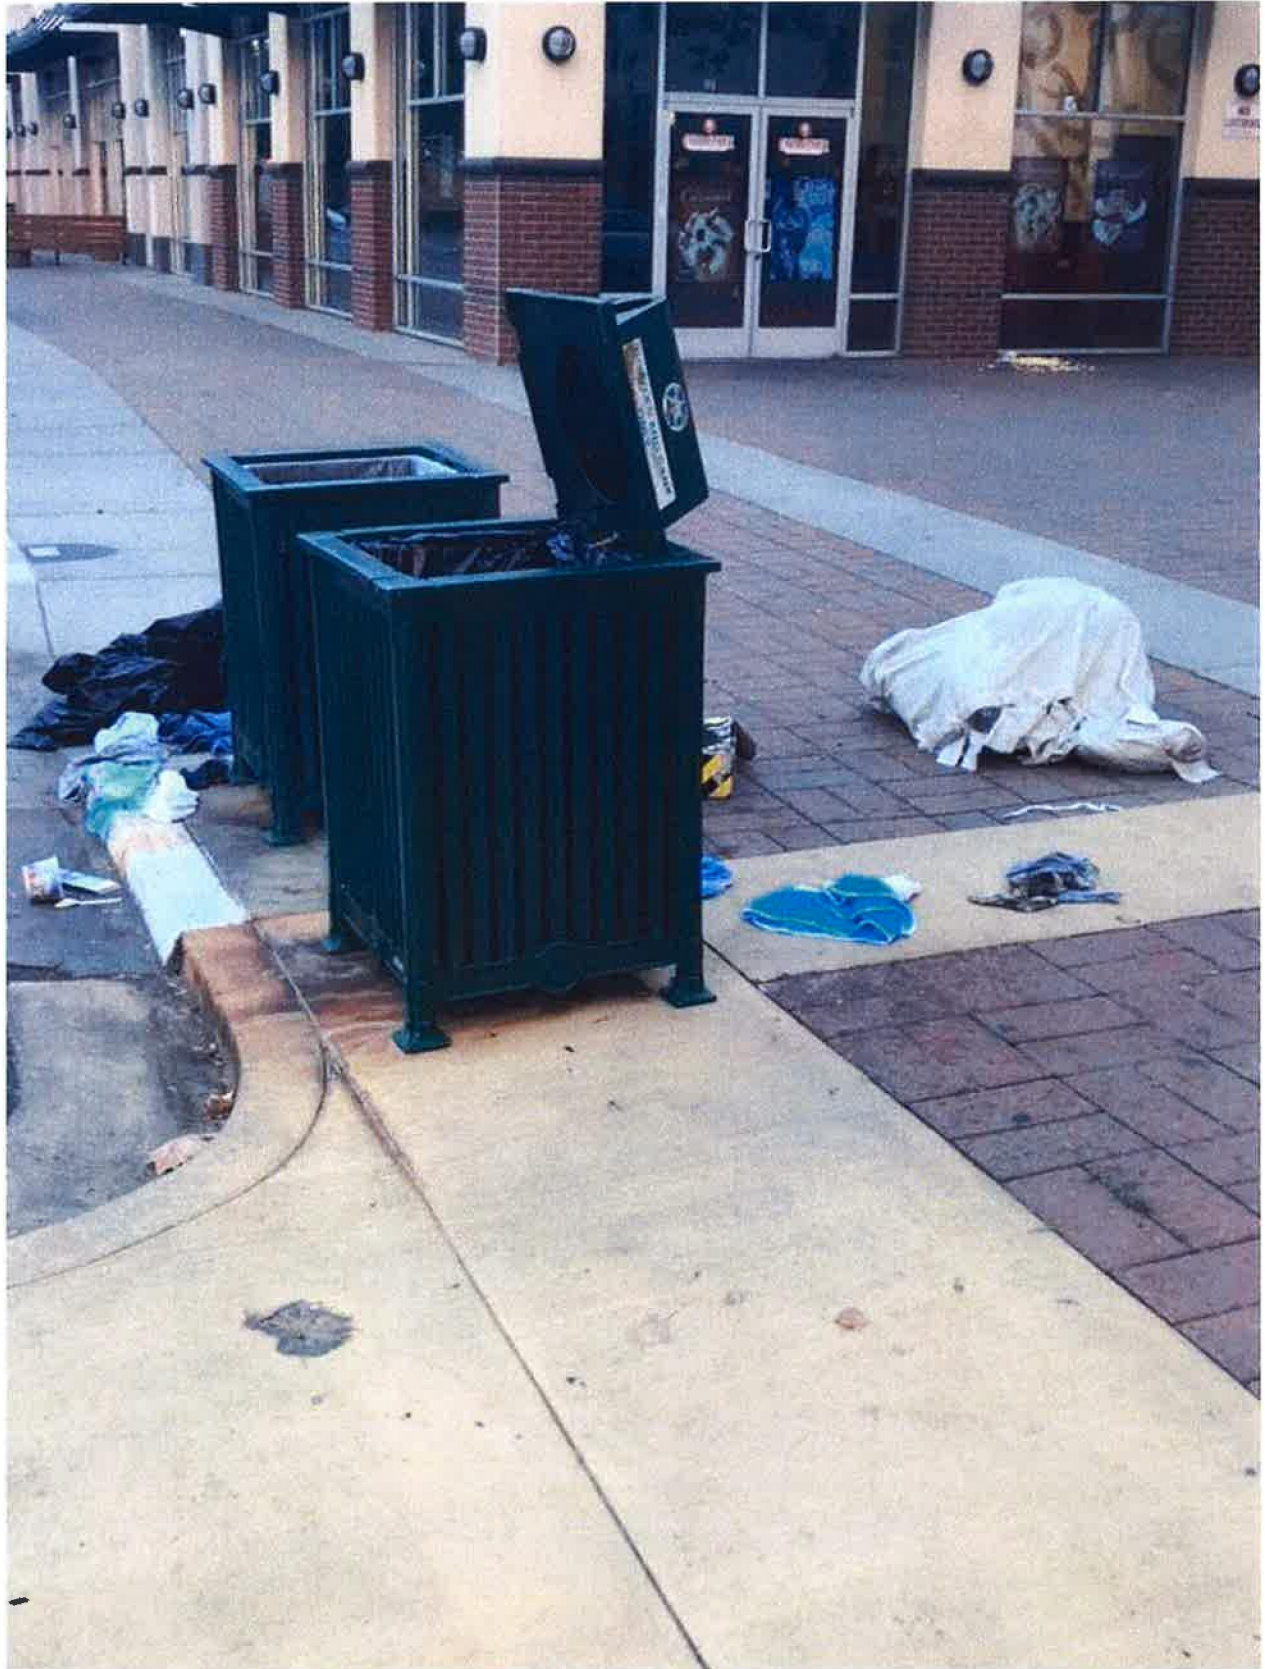

Remember a long time ago when Lodi stepped up to the plate and passed one of the first no smoking ordinances? Well we need to set an example and take a stand on this kind of stuff.
